

COMMUNIQUE OF AFEBAS EXECUTIVE COMMITTEE

INTERNATIONAL FESTIVAL 2008

On March 31, 2008 was the deadline for entries in the festival. Despite many promises, the number of actual registrations are not up to the event proposed by AFEBAS and its local and national partners. The AFEBAS, association head, or can take the risk of spending exceptional in terms of an event whose scope would no longer unusual. We regret that the International Festival 2008 is cancelled. This decision is unanimous within the Policy Committee of the AFEBAS and underlines the status of compliance with the deadlines for entries for the seriousness of an organization.
